

Synthetica
Company Profile

We craft,
We narrate,
We illustrate.

**Synthetica is a
creative studio
specialised in giving
shape to
architectural visions.**

We shaped our
culture merging
the European
roots with the
Australian
multicultural
tradition.

Our office is
a place of work
and artistic
growing where
our artists share
their visions and
their passions.

**Synthetica approach
to images is an
aesthetic narration
where we guide the
client through an
imaginative journey.**

Our destination is transforming an abstract idea in a unique and evocative image.

Our workflow is an
artistic and
cultural
interchange
between the artist
and the client.

**Synthetica is
the place where
imagination and
reality reach their
synthesis**

We craft,
We narrate,
We illustrate the
story that best
describes the
architectural design.

We craft,
We narrate,
We illustrate.
